Corporate Statement

VALUES

○Passionate

Our passion reflects in our actions to keep upgrading quality of our products and services, setting challenging goals and chasing them, and continuous learning.

○Caring

Our people are our biggest asset. Being sensitive and caring to their needs and expectations is the basis on which our people policies are decided. We go extra miles to ensure that an environment of understanding, support, community, and mutual respect is created and sustained.

○Innovative

We keep critically examining our processes and approaches, in product and service offerings, internal processes, and people aspects. We recognize that Innovation is the way to address future, create a differentiation, and deliver stake holder value.

○Courageous

Courage to us is dreaming big and taking bold decisions. This has been the cornerstone of our journey so far. This defines how we envision our future, and determines how we will reach there, howsoever difficult and challenging it may seem.

○Accountable

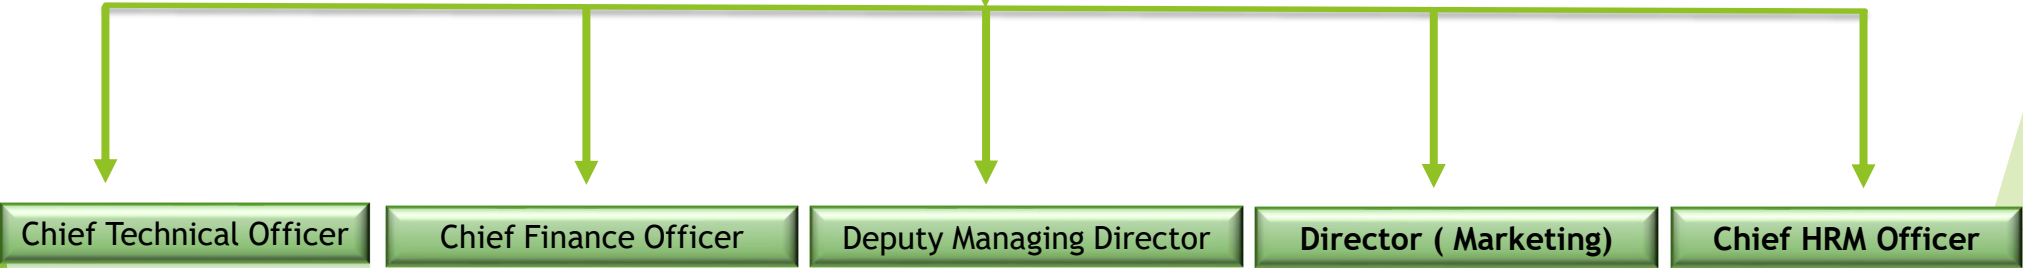

Once we take a responsibility we own it completely. We recognize that when a promise is made, there are no excuses. This is accountability for us.

Design & Product Development

.Sinoproud (Bangladesh) Garments Co., LTD - (R&D)

- Design & Innovation are the USP of Sinoproud Garments, making the Sinoproud Design (R&D) an eminent part of the company.
- The division focuses on providing services such as market intelligence & trend forecasting both to fabrics & end line products. In addition, we also work on creating mood boards as well as developing products from direction provided by our customers.
- The large team of designers across the globe include graphic designers, who with the help of CAD (Computer Aided Design), focus on designing customized embroidery layouts , print graphics and lace patterns which are developed in our in-house facilities.
- Design being the DNA of the team at Sinoproud Garments, we ensure providing customized designs based on seasons & trends for our customers.
